“On behalf of the election committee, we would like to thank and acknowledge Gurjar’s trust and confidence in our ability to fulfill the responsibilities and serve on the election committee.

We would like to inform you that we have received qualified nominations from following individuals. Since there’s only 1 application for the positions of VP, Treasurer, Secretary and less than the open positions for the role of Directors, we propose NO ELECTION and suggest nomination of these individuals UNOPPOSED to the Gurjar Executive Committee.”
